Learning Together for a Better Future

8/2/19

On Monday a new selection of prizes - all displayed in a golden basket to replace the trolley in our celebration assembly - caused a stir, whilst the leadership team worked with Mary Jones, a School Improvement Advisor from the local authority, for a couple of hours. The staff learned a little more about using Now Press Play, the headphones we use for drama experiences to enhance our curriculum, on Tuesday. On Thursday, the Reception classes ventured out into Chinatown to see the decorations for Chinese New Year - I wonder if there were dragons?

We are getting an increasing number of children late to school - if the teacher is doing the register for a continuous trickle of children after 9am - they are not able to teach! We are also getting a rising number of children being picked up late too - please try to be on time.

We also wanted to let parents know we will be saying a temporary goodbye to Ms Booth in Broccoli Class next Friday as she goes on maternity leave and will be welcoming Miss Begum to cover her until the end of July. This is a new Miss Begum, not Miss Begum from Thyme Class!

Don't forget the deadline for Science week posters is next Wednesday and it's science dressing up next Friday - lovely activities for a breezy weekend!
Sharon Taylor-Sezain, Headteacher

Recycling still needed

We still need 2-litre, or larger, **clear, strong**, plastic bottles please (eg. from fizzy drinks or sparkling water), plus shoeboxes or cardboard boxes of a similar size.
